

WHACK - A - LIGHT

— ARE YOU FASTER THAN LIGHT? —

WHACK-A-LIGHT

Reaction Game

Our **WHACK-A-LIGHT** game is the definition of easy to understand – hard to master. Two players play head-to-head trying to be faster than their opponent and get as many points as they can.

The game consists of 3 rounds with increasing difficulty on each round and the fastest player always wins!

The game features fully customizable difficulty levels with a built-in settings menu, thumping music and sound effects in a package your players will love and come back to play again and again.

We provide options for free-to-play or paid games, custom artwork and many more!

Are you faster than light ?
