KOLISEUM SOCCER VR™

A NEW DIMENSION OF FOOTBALL

The immersive experience that creates buzz

The **KOLISEUM SOCCER VR™** game turns traditional foosball into a dynamic and immersive experience. Accessible to all, it offers fast-paced matches requiring no prior skills. Play solo, 1v1 or 2v2 in strategic, action-packed games.

GAMEPLAY FEATURES

Everything You Love About Foosball – and More:
- Dribbles, lobs, and strategic power-ups make each match unpredictable
- Multi-ball, death-ball, shields, bouncy ball
- Each game is unique and spectacular

Flexible match formats:
- Solo vs AI or up to 4-player multiplayer
- AI difficulty adjustable manually or automatically based on player skill

Customizable environments:
- Arenas, animations and branding adapted to your venue
- User-friendly interface: quick selection of teams, arenas, settings
- Remote control panel for venue operators

Unique social experience:
- Matches visible on display screens
- Futuristic stadium ambiance with immersive sound effects
- Short format (90 seconds) for high turnover and replayability

OPTIMIZED MANAGEMENT SYSTEM

Performance and operational simplicity

KOLISEUM NOVA™ features a smart management system for optimal performance and seamless integration with your modern facilities.

OPERATOR FEATURES

Integrated Operator Tablet:

- User-friendly interface for non-technical staff
- Instant adjustments
- Remote control of table, headsets, and controllers
- Easy configuration: match duration, team selection, visual customization
- Equipment status tracking (controller connections, headset status)

Remote Dashboard Access :

- Game statistics monitoring
- Match settings adjustable remotely

Flexible Payment:

- Compatible with all payment systems
- No infrastructure modification required

Ajustable Match Duration:

- Customizable game length to suit your audience
- Optimized player flow and rotation
- Maximized revenue during peak hours

Autonomous Equipment:

- **No dedicated staff** required for gameplay
- **Minimal maintenance**: VR headset and surface cleaning
- **Self-diagnostic system** for preventive maintenance

INTEGRATED TOURNAMENT MODE

A driver of engagement and revenue

Koliseum NOVa™ **'s integrated Tournament Mode** allows operators to easily organize regular competitions via the control tablet, boosting both revenue and player engagement.

TOURNAMENTS & PLAYER LOYALTY

Built-in tournament system via the control tablet:

- Simple and accessible interface – no technical skills required
- Intuitive tournament setup and customization for quick configuration (number of teams, duration, etc.)
- Real-time broadcasting of matches, scores, and podiums, creating a competitive and immersive atmosphere
- Automatic management of registrations and results
- Turnkey support: A practical guide is provided to help you organize, promote, and maximize your events

Tournament Benefits:

- **Direct player revenue** through tournament entry fees
- **Maximum engagement** with recurring events
- **Constant venue activation** through regular tournaments
- **Higher attendance** thanks to spectators drawn by the event
- **Additional income** from side sales driven by increased foot traffic

Turnkey Tournament Support:

Everything you need to run successful competitions

- **Turnkey management guide** included to help you plan and launch your tournament events with ease
- **Promotion tips** to attract players and drive attendance
- **Operational best practices** for smooth event management and optimal engagement

EVENT RENTAL

The ideal attraction for your events

KOLISEUM NOVA™ is perfectly suited for event rentals! It's also available in an arch-free version that's lighter and easier to transport and set up. The spectator screen can be mounted on a separate stand, ensuring great visibility even without a fixed structure.

Perfect for

✓ Corporate events (team building, product launches)
✓ Trade shows & booth activations
✓ Festivals, exhibitions, and public events
✓ Weddings, birthdays, private parties

Benefits for organizers

• Fast installation in less than 2 hours (arch-free version)
• No special infrastructure required
• Built-in tournament mode to energize the event
• Fun, original and memorable multiplayer experience
• Great visibility for sponsors
• Fully customizable: teams, virtual banners, and full table wrap in your brand or event colors

KOLISEUM NOVA™ turns every event into an unforgettable experience, draws crowds, and boosts exposure for your partner brands.
